Profile

Freelance all-purpose creative development, specializing in graphic and web design

Experience

Cartoonist, Nightlight Press — 2000-Present

Writing and drawing two general-audience comic strips at www.starslip.com and www.chainsawsuit.com. Daily readership of 20,000. Merchandise design (T-shirts, stickers, buttons). Book layout and production in Adobe InDesign CS, CS2, CS3.

Creative Web Developer, Mary Kay — 2007-2008

Dallas-based cosmetics company. Graphic layout and production of web pages at www.marykay.com. Model photo retouching, header graphic creation, product color correction. Some Adobe Flash CS3 development.

Animation Co-Producer, Toonhound Studios — 2006-2008

Dallas-based comics group. Storyboard art, keyframing and background art for PVP: The Series web animations. Script consulting and character turnarounds.

Software Engineer, Dassault Systèmes of America — 2001-2004

France-based 3D CAD/CAM and product lifecycle management company. Employed in Shipbuilding R&D division. C++ development, 3D modeling of ship hull layouts. Developed interversion 3D part catalog migration software.
